CULINARY *Celebration*

The Carroll Education Foundation is a foundation to enhance and enrich the educational learning experience within the Carroll Independent School District. On an annual basis, the CEF provides grants for innovative teaching projects and scholarships that are not funded through the normal budget. These grants allow students to dream beyond the standard curriculum. It takes them beyond reading, writing and math and explores new possibilities in connecting one subject to another.

Through funds raised, in part, by the annual Culinary Celebration, the CEF has contributed more than \$950,000 to CISD in the form of teaching grants and scholarships for graduating seniors. This dream is made possible because of the support of people like you. Your generosity is a symbol to others of the importance of private efforts.

Carroll Education Foundation presents the *Culinary Celebration 2011*. This flavorful event hosts approximately 1,000 patrons and not only provides delicious food tastings from several favorite restaurants and chefs, but also allows a wide variety of bidding opportunities through our silent and live auctions. The *Culinary Celebration 2011* will be held on Sunday, October 9 at the DFW Hyatt from 6 pm – 10 pm. Don't miss out on this opportunity to socialize with your friends and neighbors and experience this "much talked about" community gathering.

***Our vision is clear...
the rewards countless, the experience unforgettable!***

We would be honored for you to participate in this year's event. Your donation will make a real difference in the minds and lives of children in the Carroll Independent School District. On behalf of the Carroll Education Foundation, thank you for your consideration.

Sincerely,

Lisa Quinn
Culinary Celebration Chair
